

# Chemical Biology Summer Program (ChBSP)

**June 3 – August 9, 2024**

A 10-week chemical biology research experience on the NYC campuses of  
Memorial Sloan Kettering Cancer Center, Rockefeller University & Weill Cornell Medicine

**Applications are invited from chemistry, biochemistry and chemical biology undergraduate freshmen, sophomores, and juniors interested in pursuing research at the interface of chemistry and biomedicine.**

The ChBSP is sponsored by the Tri-Institutional Therapeutics Discovery Institute, the Tri-Institutional PhD Program in Chemical Biology and Memorial Sloan Kettering Cancer Center.

For more information, see a full description of the program at:  
[mskcc.org/chbsp-summer](https://mskcc.org/chbsp-summer)

Students can complete and submit an online application at:  
[sam.mskcc.org](https://sam.mskcc.org)

**Deadline for receipt of applications:  
February 1, 2024**

Participants will:

- Adapt their chemistry skills to answer biomedically-focused research questions in cutting-edge laboratories at Rockefeller University, Memorial Sloan Kettering Cancer Center, and Weill Cornell Medicine.
- Interact with faculty, postdoctoral fellows, and graduate students.
- Attend a weekly luncheon seminar series of presentations by faculty.
- Attend professional development workshops.
- Present a poster at the end of the program.
- Receive a stipend of \$6,500 for the summer. Housing available.

We strongly encourage students from groups historically underrepresented in science (disadvantaged, disabled, Black, Hispanic/LatinX, Native American) to apply.
